THE U M S T E A D SPA

VALMONT FACIAL

For 30 years, the Valmont Group has been helping women and men master the visible signs of aging. Heir to traditional Swiss medicine, the company draws inspiration from the unspoiled natural resources of Switzerland and the latest cellular cosmetic research findings to formulate utmost anti-aging skin care products featuring visible and long-lasting efficacy. Patented Triple DNA, Glacial Spring Water and pure plant extracts are the key ingredients used for their unequalled hydration, regeneration and cellular reactivation properties. Through unique and exclusive treatment protocols, a Valmont experience is easily distinguished from all others notably through the massaging "Butterfly Movement" mimicking that of a butterfly's wings over the skin.

VITALITY OF THE GLACIERS

Stimulate the skins natural functions in this calming and restorative facial. Designed to boost the skins natural radiance, the application of key activating extracts smooth fine lines and wrinkles through the Butterfly Movement massage unique to Valmont. Skin is reactivated and left soft, supple, and balanced.

50 min. / \$165

Renew the skin with the addition of a firming, 100% collagen mask. Thanks to its combination of active ingredients, the mask acts as a "biological face-lift" visibly improving the appearance of the upper layers of the skin from the very first application. Skin instantly recovers its natural resilience, suppleness and radiance.

80 min. / \$265

BRIGHTNESS OF ICE

Dedicated to restoring a more youthful appearance, this facial treatment is designed to combat dull skin while eliminating imperfections. Utilizing the Valmont butterfly movement to stimulate circulation, this brightening facial gently awakens the skin and improves overall texture and radiance.

50 min. / \$170

An extended restorative treatment that regenerates the skin and purifies the complexion with the application of a 100% collagen mask, illuminating the skin and leaving it clear as ice.
